IN CASE OF FIRE:

CALL 911

IMMEDIATELY.

In the case of an electrical fire, LEAVE your home and use a neighbor's phone. Do not return to your house FOR ANYTHING!

CLEANING FLUIDS:

Bleach and ammonia should never be mixed. The combination of these two fluids results in a toxic fume. For mold/mildew, use 1 1/2 cups of bleach per 1 gallon of water. Scrub rough surfaces with a brush. Let dry. Visit Fema website for more information:
